Colleagues,

This medical directive is a system wide action item. Sent with this medical directive is the updated Hospital Transport Grid.

The Hospital Transport Grid was updated following temporary closures of the following facilities:

1. Sobering Center
2. St. David's Cedar Park Free Standing ED
3. St. David's Bee Cave Free Standing ED

These facilities were deleted from the Hospital Transport Grid. A future update will be forthcoming when these facilities are again approved and capable of receiving patients.
