

THANK YOU FOR YOUR OFFER OF ASSISTANCE

Please be advised that this EMS team is operating under the authority of Washington State Law and protocols that were developed and approved by me as Medical Program Director. The EMS team performs their functions at the scene under the guidance of EMS Medical Control. If you, as a physician at the scene, decide you must intervene in the patient's care, then you are responsible for any and all care given, and must accompany the patient to the hospital in the ambulance and sign the Medical Incident Report.
